Differentiated Partners in Healthcare Private Equity

Varsity Healthcare Partners builds leading healthcare companies, employing a differentiated partnership model. Our approach is predicated on a commitment to unconditional alignment and transparency with all stakeholders - founders, management teams, employees and investors.

VHP has been successful in developing and executing a tailored value creation plan, in partnership with the leadership of each company, that typically emphasizes an appropriate investment in infrastructure followed by an aggressive organic and acquisition growth strategy. VHP draws upon its extensive healthcare industry experience and relationships, as well as its hands-on partnership approach to effectively drive growth and maximize value. VHP is currently investing out of its \$700 million fourth fund.

Investment Criteria

- **Focus Area:** Healthcare providers and outsourced services, tools, technology utilized by providers, payers
- **Investment Stage:** Growth equity to buyout/recapitalization
- **Investment Size:** Equity investments of \$30 million to \$100 million (or larger with co-investment partners)
- **Investment Structure:** Primarily control investments (with some exceptions) with founder/shareholder rollover and conservative leverage
